MONTREAT COLLEGE

MONTREAT, NORTH CAROLINA

Present . . .

Sitting in the stillness of Gaither Chapel, you are somehow impelled to lift your eyes upward, to gaze upon the small p i c t u r e s in the stained glass windows, the symbols of our faith.

You see the open Bible, the "living oracles" of God; the wheat, signifying the Bread of Life, and the grapes, representing Christ's blood shed for us; the cross and the crown, Jesus Christ—S a v i o r and King, and the lamp, the H o l y Spirit.

Yet these symbols take on new, though perhaps less majestic meanings, as they become guides for everyday living in Montreat . . .

The 1955 Sun Dial

DEDICATION

We dedicate the 1955 SUN DIAL . . .

To someone who loves Montreat girls and the "Montreat Spirit" . . . To someone whose devotion to her work is caught by those about her . . . To someone whose originality, imagination, and skill add sparkle and color to activities and entertainment . . . To someone who accepts our joking graciously . . . To someone who means more to us than she could ever guess . . . To . . .

CLASS OF '55

"We're the Senior Class of Montreat College you hear so much about . . .," and it has taken four years of work and three of singing to get here!

Our first big project was the Freshman talent show. We gave a Minstrel. Lil' Liza Jane . . . oops . . . Miss Margaret Smith, was our advisor. The Sophomore Class always provides the Christmas entertainment. In December, 1952, the Student body took a peek into "Santa's Work Shop;" Santa took a peek into one of his boxes, where he found "The Littlest Angel," and so was presented in pantomime the story dear to the heart of all. When Mr. and Mrs. Frantz agreed to be our sponsors, they didn't know they'd keep the title through our graduation! For the Junior-Senior banquet we really went "overboard," right down to "King Neptune's Court," complete with fish, mermaids, "seahorse supreme," and "water from the murky deep."

As Seniors, the best contribution we leave to our Alma Mater is filed under SERVICE, as we led campus activities. These have been four wonderful years of prayer, study, fun, and friendship.

". . . the Senior Class is on its way." How thankful we are that our "way" led through that Montreat gate!

ACTIVITIES

STUDENT GOVERNMENT ASSOCIATION

EVELYN MORRIS
President

The Student Government Association has a practical and an ideal purpose: to co-ordinate campus activities and to help develop within each student the highest standard of personal honor. The Cabinet of S. G. A., as the administrative body, works toward this end with the support of the students and the inspiration of the Spirit of the Lord.

OFF ON THE FALL CHORUS TOUR

It's always a grand night for singing! Ask any of Montreat's music makers. Every church service needs a choir; every vesper program needs special music; every student body needs concerts, and every heart needs a song. From "Lord, I Want to Be a Christian" to "Would That My Song Had Wings, Dear," their music lifts, enriches, and inspires.

We stand before the world's great door,
The door of Life for all;
We each shall leave the former road
To heed life's beckoning call.

Yet still the love of friendships true
Shall in our memory be;
The days of joy we each have shared
In bonds of unity.

The endeavor of the P. Y. F. Council is to promote Christian fellowship within the student body and to help each girl follow the "High Road."

The Council sponsors the religious activities of the school. "Sings," prayer groups, vespers, and morning watch are some of the main programs which play a large part in each student's campus life.

Members of the Council, who are chosen for their exemplary Christian living, are glad to advise the other students in any way they can.

The High School Athletic Board plans and directs the recreation of the students. Its purpose is to develop interest and efficiency in sports, and to encourage healthful living, good sportsmanship, and a friendly spirit of cooperation among the girls.

Upon arrival at Montreat, all students automatically become members of the Athletic Association and of one of the four tribes.

The members of the Athletic Board are chosen for their skill in sports and for their ability to live up to the ideals of the Board.

STUDENT PUBLICATIONS

The life of the Staff member is not an easy one.

"Deadline? What d e a d l i n e?" "Well, I haven't written it yet, but . . .;" red and white; "Where is your hat?" "broken-down" typewriter; the smell of the mimeographing ink; and finally "Paper, anyone?" All this goes into the making and printing of *The Lookout*. Then when someone says "That was a real good paper," we know it was worth all our time and hard work.

MONTREAT COLLEGE

FOUR-YEAR, LIBERAL ARTS COURSES GIVEN IN A GENUINELY CHRISTIAN SETTING

"A College Education Need Not Be Expensive"

MONTREAT WILL PREPARE YOU FOR A *Successful Career . . .*

As a CHURCH WORKER. Many of our graduates are church secretaries, pastor's assistants, D.C.E.'s and assistants, and Bible teachers.

As a MUSICIAN. Completion of this course of study will prepare the student either to teach in the public schools or to work as music director for the church.

As a TEACHER in public or private schools, on the elementary or secondary school level. Majors may be had in most teaching fields.

As a NURSE. A two-year course at Montreat and three years at the Memorial Mission Hospital of Western North Carolina entitles the student to a B.S. degree and a diploma in nursing.

As a BUSINESS WOMAN. One- and two-year secretarial courses are offered in addition to the full four-year program leading to the B.S. degree in Secretarial Administration.

As an ADULT. In a time of successive crises, it is important to our democracy that each individual be grounded in a bed-rock of unyielding faith. This is the challenge before every Montreat student.
